

# OLD CLEEVE PARISH COUNCIL

## Section 106 Priorities

At the Parish Council Meeting on 17 October 2022, councillors agreed our priorities if Section 106 funding becomes available for projects in the Parish.

Our priorities for contributions to, or funding for, are:

- Additional recreational equipment and Parish facilities
- Road traffic improvements throughout the whole of the Parish
- Ensuring the future of Blue Anchor Toilets
- Ensuring the future of Roadwater Community Shop
- Improvements to Washford Memorial Hall
- Development of The Steam Coast Trail within the Parish
- Development of Quiet Lanes within the Parish
- Adoption of open spaces within the Parish

It is emphasised that all these priorities are equal with none taking precedence over the other.
