### Mini Police – Old Cleeve School

At the start of January, Mini Police started at Old Cleeve School.

Mini Police is a way for youths to actively work with the Police and learn what they do, as well as get them used to the idea that Police are there to help them rather than get them into trouble.

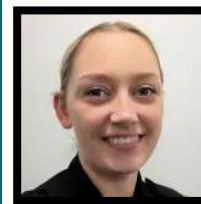

It also teaches them how to help those in the community and what to do in an emergency.

### Thefts in the area

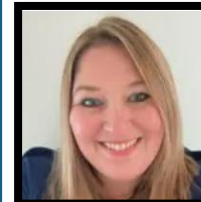

There have been reported thefts in the area around some allotments. It is important to remember to keep any outbuildings locked to ensure nefarious members of society cannot gain access easily. This is because most thefts are done based on opportunity.

Keep pictures of the serial numbers on tools and put a distinctive mark on them for easy identification should these items be stolen and recovered.
